## THE NEW KOMAR INK COLLECTION

**Komm herein und nimm Dir Zeit für Dich.**

Nach Hause kommen heißt, bei sich selbst anzukommen. Darum ist das Zuhause nicht nur ein Platz zum Wohnen – sondern viel mehr: Ein Ort zum Entspannen und zur Ruhe zu kommen. Ein Ort, der in dieser schnelllebigen Zeit erdet und Sicherheit gibt. Aber auch ein Ort, der Raum für Kreativität, Individualität und Fantasie bietet.

Die neue INK Fototapetenkollektion von Komar ist kreativ, inspirierend, erfrischend und zugleich ausgeglichen und entspannt – und lädt zum Verweilen im Zuhause ein!

**Come in and take time for yourself.**

**Coming home means returning to your true self. That's why the home is not just a place to live – but much more:**

A place to relax and calm down. A place that grounds and gives security in these fast-moving times. But also a place that offers space for creativity, individuality and imagination.

The new INK photomural collection from Komar is creativ, inspiring, refreshing but also balanced and calm at the same time – and invites you to linger at home!

**Entrez et prenez un peu de temps pour vous.**

Rentrer chez soi est synonyme d'un retour aux sources. Ainsi, la maison n'est pas seulement un endroit où vivre – mais bien plus encore : Un endroit fait pour se détendre et se relaxer et qui, en ces temps si mouvementés, est un point d'ancrage rassurant et sécurisant. Mais aussi un lieu qui offre un espace à la créativité, l'individualité et l'imagination.

La nouvelle collection de panoramique INK de Komar est créative, inspirante, rafraîchissante et tout à la fois harmonieuse et relaxante – et elle vous donne envie de rester chez vous !

# CALMING MOODS

Die neue Leichtigkeit des Seins: Fließende Designs, softe Pastelltöne und natürliche Motive erschaffen eine luftig-leichte Wohlfühlatmosphäre im Wohnraum. Die entspannten Farbtöne und dezenten Designs strahlen Ruhe und Behaglichkeit aus und erschaffen einen ganz neuen Wohnstil: minimalistischer Skandi Stil mit gemütlichem Vintage Charme.

The new lightness of being: flowing designs, soft pastel tones and natural motifs create a light, airy feel-good atmosphere in the living room. The relaxed colors and subtle designs exude calmness and cozyness and create a completely new style of living: minimalistic Scandi style with a cozy vintage charm.

La nouvelle légèreté de l'être : des motifs fluides, des nuances pastel douces et des motifs naturels qui créent une atmosphère détendue, aérienne et légère dans votre espace de vie. Les teintes apaisantes et les designs sobres diffusent de la tranquillité et du confort, créant ainsi un style de vie totalement nouveau : le style Scandi minimaliste au charme vintage.

Kreativ, künstlerisch und kontrastvoll – starke Motive für fantasievolles Wohnen. Die intensiven Farben der kunstvollen Tapeten stehen im Gegensatz zu den filigranen, fernöstlich angehauchten Motiven und erschaffen daraus ganz neue Wanddesigns. Mutige Kombinationen aus kühlen Blau- und Grüntönen und abstrakte Designs lassen der Kreativität freien Lauf!

Creative, artistic and contrasting – strong motifs for an imaginative living. The intense colors of the artistic wall-paper contrast with the filigree, Far Eastern-inspired motifs and create thereof completely new wall designs. Bold combinations of cool blue and green tones and abstract designs leave free run to creativity!

Créatifs, artistiques et pleins de contrastes – des motifs forts pour une décoration intérieure fantaisiste. Les couleurs intenses des papiers peints artistiques contrastent avec les motifs filigranes au style presque extrême-oriental et créent ainsi des motifs tout à fait innovants pour vos murs. Ces associations audacieuses aux teintes bleues et vertes et les dessins abstraits donnent libre cours à la créativité !

*"Art washes away from the soul the dust of everyday life."*

Raum für Freiraum: Ganz dezent und unscheinbar schmiegen sich die pastelligen Farben in den Wohnraum ein. Die hellen Naturtöne und die femininen, fließenden Designs sorgen für ein energetisches Raumgefühl – grenzenlos dürfen die Gedanken schweifen und Körper und Geist zur Ruhe kommen.

Room for free space: the pastel colors nestle discreetly and inconspicuously in the living room. The bright natural tones and the feminine, flowing designs create an energetic sense of space – so thoughts can wander without limits and body and mind can come to rest.

Place à l'espace : les couleurs pastel s'intègrent avec une grande sobriété et beaucoup de discrétion dans votre espace de vie. Les teintes claires naturelles et les motifs féminins et fluides créent un espace chargé d'énergies positives – les pensées y vagabondent sans entrave et le corps et l'esprit y trouvent la paix.
